

State/County Property Tax Administration Program

DESCRIPTION OF MAJOR SERVICES

On February 13, 1996, the Board of Supervisors approved an agreement with the State of California to participate in a state/county property tax administration program for 1996. The agreement provided a loan of \$2,139,938 for 1996, with a provision for the same in the following two calendar years. The state passed legislation extending this program through calendar year 2002.

Effective January 01, 2002, the State legislature approved authorization of AB589. This bill created the State-County Property Tax Grant Program to replace the prior loan program. The grant was effective starting 2002-03 and was authorized until 2006-07. As with the prior loan program, these funds are intended to supplement the county's property tax administrative cost. The amount of the grant is set forth on a schedule established by the state and is the same as the previous loan program. The state's funding of this program was put on hold for 2006-07 and 2007-08. During this time the County Administrative Office backfilled the money. The special revenue fund was deleted during 2007-08.
